

## ASSOCIATION FOR INFANT MENTAL HEALTH (NORTHERN IRELAND)

Dear Colleague

[Infant Mental Health Awareness Week](#) (IMHAW) takes place this year from 8<sup>th</sup> June, the theme is 2020 Vision: Seeing the world through babies' eyes.

During IMHAW, the Association for Infant Mental Health in Northern Ireland (AIMHNI) intend to echo messages being given nationally by the [First 1001 Days Movement](#) within our regional context. With regard to this, please see attached a statement which contains five specific asks of decision makers within Northern Ireland to ensure babies and their families are kept in mind when decisions are being reached about Covid 19 responses and recovery.

If this is something you or your organisation are willing to support please email us by return to [abcpip@setrust.hscni.net](mailto:abcpip@setrust.hscni.net) so we can include you in the list of those supporting our youngest members of society at this time.
